Prevost launches E-Media Website

Sainte-Claire, QC, July 5, 2013 – Prevost has launched a new E-Media website, which allows Prevost customers to order service and training materials online. From the site, visitors can order Maintenance Manuals, Operator Manuals, Driver Guides, Service Instructions, Training materials, and EPA mandated Emissions information.

The site includes online ordering of all materials using an easy to use e-commerce system and provides order status updates.

Visitors also have a link to the Premium Tech Tool site. Premium Tech Tool (PTT) is an application platform for the aftermarket tools, developed to make workshops more efficient with applications such as Guided Diagnostics and VCADS.

The E-Media website can be accessed at <http://software.mogistic.com/emedialprevost/Default.aspx>.

About Prevost

Prevost is a leading manufacturer of premium intercity touring coaches and the world leader in the production of conversion coaches for high-end motorhome and specialty conversion. As part of the Volvo Group, it has access to the financial strength, research capability, and manufacturing expertise of the group. The Volvo Group is one of the world's leading manufacturers of heavy-duty diesel engines. Prevost has its main manufacturing facilities in Sainte-Claire, Quebec, Canada and has nine Parts and Service Centers located in the United States and Canada. www.prevostcar.com
