FEATHERLITE COACHES Yacht Quality Yacht heritage from the first Vantaré motorhome:

- Vantaré yachts built composite luxury motor yachts at Port of Sanford, FL
- Vantaré put their yacht interior & systems in a Prevost motorhome shell
- Vantaré motorhome debuted at 1991 Ft. Lauderdale International Boat Show
- Featherlite acquired Vantaré in 1996 -> Featherlite Coaches
- New coach production moved to coastal Virginia in 2009, when Featherlite Coaches was acquired by Amadas Coach

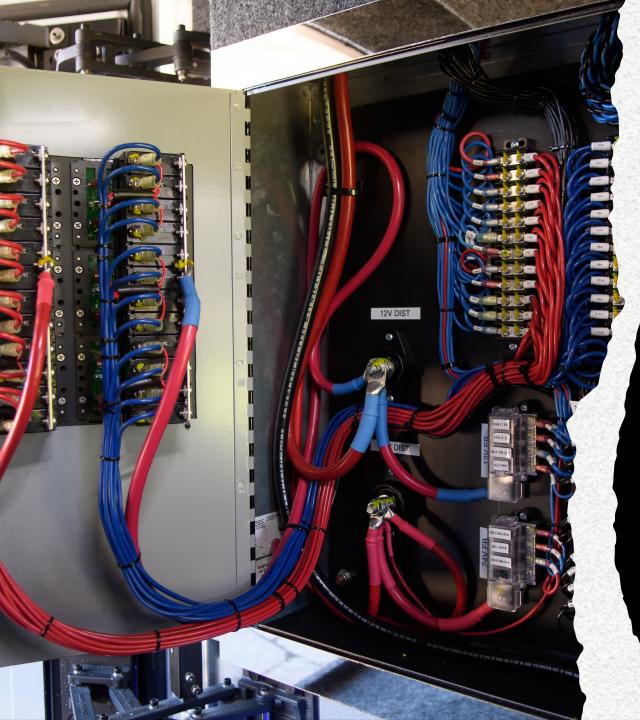

FEATHERLITE COACHES Yacht Quality *Yacht DNA and Quality continues in coastal Virginia, built Featherlite Coaches:*

- Key Team members came over from Hines Farley Offshore Yachts, who built exclusive, high performance sportfish yachts in Suffolk, VA
- Virginia built Featherlite Coaches take yacht quality and systems integration to the next level
- Top of the line Featherlite Coaches motorhomes are still carry the Vantaré model brand
- Vantaré is derived from an Italian word meaning "to praise enthusiastically or extol"

YACHT QUALITY MATERIALS

- Marine Grade Components (electrical, plumbing, control)
- Marine Grade Lightweight Plywood (30% lighter)
- CNC'd components, optimized for light weight + strength
- Yacht quality joinery: glued, stapled, screwed, faired
- US, German, & Austrian cabinet hardware
- German tile isolation & waterproofing system

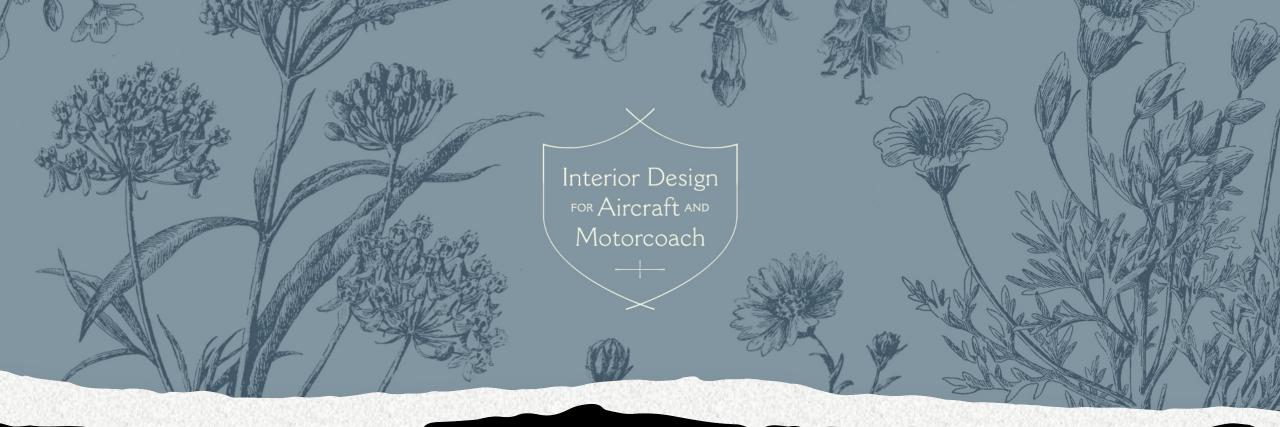

YACHT QUALITY ELECTRICAL ARCHITECTURE

- 24v DC Systems (high efficiency, cable size reduction)
- Twisted Pair, Stranded Tinned Copper Cabling
- Blue Sea Systems DC Distribution
- 120v AC ABYC Boat Cable
- NEC & American Boat and Yacht Council Standards

YACHT QUALITY LED LIGHTING

- Fully Dimmable Marine LED Lighting
- IP66 Submersible rating / waterproof to 1m
- 50% more power efficient than previous generation LED lighting = half the power & half the heat
- 33% more lumens light output than previous generation LED lighting
- Made in Italy
